

MARINE SCIENCE TIDE-POOLS

AT: SYCAMORE CANYON SCHOOL -

Tuesdays, 1:35 to 2:35: 1/17, 1/24, 1/31, 2/7, 2/14, 2/21, 2/28, 3/6

Have you ever touched a live STARFISH? Did you know that a SEA CUCUMBER lives in the ocean? Is an OCTOPUS as slimy as it looks? Come experience Marine Science in a fun and exciting way as students use interactive and hands-on activities. Each day students will have the opportunity to touch and hold real animals from the marine tide pools of the California coast. A craft project or science activity is also included in this creative exploration program each week. This class is open to all K through 5th graders.

Each class will meet at class room # 25

****Space is limited and will fill quickly. To reserve your child's space for session II please complete and return with \$125 payable to Youth Peak Enrichment Programs to: Sycamore Canyon School front office For any further information call our office at: 818-706-7335**
